TOWN HALL -- COMMUNITY CENTER

On November 19, 1972 a Town Hall - Community Center was dedicated commemorating the 250th Anniversary of the founding of Barrington. The building committee consisting of Edward Sharon, Richard Rowell, Gerald Pinzari, Douglas Hutchinson, James Frase, Dwight Haley, Mrs. Dorothy Berry, George Musler and Russell Fogg planned and developed the building in concert with Walter Gleason of Tinkham Industrial and Development Corporation.

The Town Hall - Community Center is a multi-functional building designed to serve practically every age group in the community. Dual use of the building and its various areas has been carefully planned throughout. The building contains the town offices, Library Association, Police Department, community meeting room and auditorium-gymnasium.

The building is a sign of our growing community; our changing community. Selectman Edward Sharon reminded us in the dedication address that change begins with people and the form of changes to be will be determined by their attitudes. Mr. Sharon closed with these remarks "May this community center continually know the vibrations of human voices who dare to speak when they are outnumbered . . . who dare to suggest something new . . . who dare to make us think as a community."

Today we meet as a community. May we think and act as a community.

TOWN MEETING — MARCH 7, 1972

At a legal meeting of the inhabitants of the Town of Barrington in the County of Strafford and State of New Hampshire, the following action was taken on the Town Warrant on Tuesday, the 7th day of March, 1972:

The meeting at the Barrington Grade School was called to order by the Moderator, E. Richard Rowell, at 10:00 a.m. The polls for voting on Articles 1, 3 and 4 were opened at 10:00 a.m. and closed at 6:30 p.m. At 7:30 p.m., the following action was taken on the Articles of Business:

Number of eligible voters on check list

Number of votes cast

ARTICLE 1. To choose by ballot and major vote, one selectman, town clerk, treasurer, collector of taxes, trustee of trust funds and one special library trustee for three years and two auditors for one year.

The following officers were elected:

Selectman for three years	Edward M. Sharon 255 votes
Town Clerk for three years	Muriel T. Leocha 469 votes
Town Treasurer for three years	Katherine C. Swain 251 votes
Town Tax Collector for three years	Judith W. Lee 243 votes
Town Auditor for one year	Avis Taylor 30 votes
Town Auditor for one year	Clarence Garnett 29 votes
Town Trustee of Trust Funds for three years	Dorothy Berry 31 votes

It was noted by the Moderator that the office of Library Trustee for three years had not been included on the town's official ballot and that nominations would have to be accepted for that office. Raymond Spinney nominated Dorothy Berry for Special Library Trustee for the term of three years which was duly seconded. On motion made by Ed Beal and duly seconded, it was voted that all nominations cease. On motion made by Ed Beal and duly seconded, it was voted that the Clerk cast one ballot for Dorothy Berry as Library Trustee. The Clerk proceeded to cast one ballot for Dorothy Berry as Library Trustee and she was declared elected to said office for the term of three years.

ARTICLE 2. To see what sum the town will vote to raise and appropriate for the construction, equipping and furnishing of a town hall and whether the town will vote to authorize the issue of serial notes or bonds upon the credit of the town for all or any portion of the sum so raised and appropriated; and to authorize the selectmen to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, time and place of payment of the principal and in accordance with the Municipal Finance Act, N.H. revised statute chapter 33 and any amendments relating thereto.

The voters present were informed that, according to law, the question in Article 2 must be voted on by ballot. This Article was not included on the official town ballot, and the Moderator declared the polls open for two additional hours, following a motion by Gerald Pinzari and duly seconded to vote on the question. The polls were opened at 8:30 p.m. and closed at 10:30 p.m. They were again opened at 10:33 p.m. for two additional people and were reclosed at 10:34 p.m.

Discussion on this issue was quite lengthy and included a statement by Selectman Musler. He said that on February 18, 1972, a public hearing was held concerning this issue, as required by a new section of the revised statutes. This hearing was required because it was estimated that they would be asking authorization for selling \$100,000 or more of municipal bonds for the construction of a town hall. Rough estimates at that particular time were about \$95,000, but the selectmen did not want to take any chance, so a hearing was held. The selectmen indicated a need for a town hall because of the increasing number of people participating in town affairs and that we were up against limits placed by the fire chief on the building in which meetings are now held. The selectmen thought that, as an alternative, we might go to the Rochester High School. They have since found out that, as a matter of law, we cannot legally hold town meetings or do town business outside the limits of Barrington. This town building was suggested jointly by the selectmen and the school board. The area would house approximately 900 people and it would house the town officers, such as the selectmen, town clerk and tax collector. It would additionally include the Library Association. Hopefully, the library would be a combination school and town library. Approximately 900 square feet of this new building would be used for the library, 900 square feet for town offices and the balance of 8,400 square feet for a meeting hall, which also is the correct size for a basketball court. It would be a prefabricated building, raised on a cement slab, and would be generally located on the seven acres of land adjacent to the school house. It would be used for other town activities, and the school would more than likely make use of it.

Gerald Pinzari was called upon to give additional structural information on the building. There were two alternatives--one for \$95,000 and one for \$135,000. The basic building would be a butler-type, 70' x 120', eave height 20 feet, with a 4 & 12 pitch to the roof. The front end of the building would be designed for

town offices, the library, johns and a mechanical room. The rear of the building would be the gymnasium/auditorium area and would accommodate town meetings for the next foreseeable future. For \$95,000 (Alternative 1), the building would be stripped down and would represent a metal building, either block walls or metal walls (approximately the same cost) with no partitions in it. This is a pre-engineered-type building and does not need an architect. Usual procedure is that the contractor who sells this metal building also does the engineering involved, thereby saving a considerable architectural-engineering cost. A 10,000 square foot area in the parking lot would be sealcoated and the rest would be rough-graded. A leaching field would be included. The plan in Alternative 2 would be pretty complete. It would mean all of the necessary rooms, partitions, toilet areas, plumbing, such as shower areas, etc., electric heat in the office areas, lights, unit heaters in the gymnasium area, bleachers and back boards. The plan for water in the building would be to pipe from the school well to it.

A townswoman, speaking for the Barrington Library Association, incidentally informed the voters that, in the 1920's, there was a move to create a community building and pledges were taken: A house was purchased at that time. People subsequently were unable to keep up their pledges, and the Barrington Library Association continued and carried the project along. The building was eventually sold and the proceeds are still in a savings account which has never been touched. She reported it to be over \$3,000.

Questions were raised regarding overhead, and it was stated that it would cost approximately \$1,500 annually for heat and light and \$750 annually for insurance. Janitorial service would hopefully be carried out by the school janitor. The land on which the town hall would be constructed is owned by the school, and the town would have to lease it.

Having been questioned on the effect this new building would have on the tax rate, Selectman Musler informed the townspeople that it would raise the tax rate approximately \$1.15 per thousand.

The style of the building would be very general and would be comparable to the type of building found in the Dover Industrial Park. It is an absolute rule that this building must be put up for competitive bids. The town was also informed that Grant Davis had surveyed the whole area on which the new building is to go and had found it to be acceptable to a leaching field.

Mr. Musler stated that it was extremely hard to get detailed information from any concern that is involved in this type of construction without their knowing that the issue is decided and that the funds have been voted for building. They will talk but will give no detailed information, and that this was a penalty to be paid for not hiring an architect.

Mr. Rowell informed the townspeople of the inconvenient situation existing in the school with the town clerk having office hours there. He stated that people come in from the opposite end of the school building and distract the

children when they walk down the corridors and that this was one of the main reasons the school board had suggested this new building.

At 8:20 p.m., it was noted by the selectmen and moderator that there were approximately fifty people without seating at the meeting, which was thirty per cent over capacity.

On a "yes or no" ballot, it was voted 181-57 in favor of raising and appropriating the sum of \$135,000 for the construction, equipping and furnishing of a town hall and to authorize the issue of serial notes or bonds upon the credit of the town for all or any portion of the sum so raised and appropriated; and to authorize the selectmen to determine the terms and conditions upon which the notes or bonds shall be issued, including their sale, time and place of payment of the principal and in accordance with the Municipal Finance Act, N.H. revised statute chapter 33 and any amendments relating thereto.

The sum of \$135,000 was voted on in accordance with "Alternative 2", which was distributed at Town Meeting, and which read as follows:

Bond Issues for Proposed Community Center

Alternative No. 2

Amount	\$135,000
Terms	5.5%
Length	20 years

ANNUAL REPAYMENT SCHEDULE

Year	Principal Payment	Interest Payment	Total
1	\$ 10,000	\$ 7,425	\$ 17,425

ARTICLE 3. Is the town in favor of replacing the present building code with the new building code as proposed by the Planning Board?

This Article was included on the official town ballot, and the results of the voting were 301 to 142 in favor of replacing the present building code with the new building code as proposed by the Planning Board. This building code is as follows:

BUILDING CODE FOR THE TOWN OF BARRINGTON, N.H.

PREAMBLE:

In order to promote the health, safety and general welfare of the Town of Barrington through structural strength and stability, to protect life and property from fire and hazards incident to design or construction, the following code is hereby enacted by the voters of the Town in annual meeting convened, in accordance with authority conferred by Chapter 51, Sections 50 to 71 and by Chapter 53, Sections 14 and 15 of the Revised Laws of New Hampshire 1942.

ARTICLE I

All construction within the Town of Barrington shall be carried out according to the provisions of this code. Nothing herein shall apply to existing buildings except where a permit is sought for additions or alterations.

ARTICLE II

All buildings shall be constructed in accordance with good building practices. Outside walls shall be covered with shingles, clapboards, brick, stucco or other generally accepted materials.

ARTICLE III

1. All dwellings will be placed upon a slab, wall or pier type of foundation. Foundations shall be constructed of solid concrete, brick, concrete blocks, cinder blocks, stone or other durable materials and shall be carried below the frost line or to bedrock.

2. Industrial structures and buildings accessory to a residence may be set on brick, stone, concrete, or other suitable piers.

3. The construction of a new building upon an old foundation may be permitted with the approval of the building inspector.

4. Chimneys shall be constructed of stone, brick, concrete, concrete blocks or cinder blocks to the ground, shall be lined with tile and shall extend at least three (3) feet above the highest point where they pass the roof of a

building and at least two (2) feet higher than any portion of the building within ten (10) feet. No smoke pipe shall be allowed to pass through floors or partitions separating rooms, and all entrances to chimneys shall be fireproof construction. Factory-built chimneys must be approved by a nationally-recognized testing laboratory.

ARTICLE IV

1. It shall be unlawful for any person to commence work for the relocation, erection, or alteration of any dwelling, building or structure, or any part thereof, until a permit for such relocation, erection or alteration has been issued by the building inspector.

2. No permit shall be needed for construction or alteration to a building or structure, other than a dwelling, if the value is less than Five Hundred Dollars (\$500).

No permit shall be needed for alteration to a dwelling if the value is less than Five Hundred Dollars (\$500).

3. No existing structure or building shall be converted to a dwelling until a permit for such alteration has been issued by the building inspector.

4. Each application for a permit shall be accompanied by a plan or sketch showing the location of the dwelling or structure on the lot, dimensions and area of the dwelling or structure, and State approval of water and sewer services. (Ref. RSA 149-E)

5. Each application for a permit shall be accompanied by a fee of two dollars (\$2) for each One Thousand Dollars (\$1,000) of valuation, or fraction thereof. All fees paid hereunder shall be paid to the Town of Barrington.

6. No permit shall be issued until all other ordinances of the Town of Barrington and statutes of the State of New Hampshire have been complied with.

7. Erection of any dwelling or structure or alteration of any dwelling or structure, once commenced following issuance of a permit hereunder, shall be completed within a period of two (2) years; otherwise, said permit shall lapse.

ARTICLE V

1. A building inspector, who shall be appointed by the Selectmen, shall be responsible for enforcement of this code. (RSA chapter 156)

2. Dwellings and structures under construction or alteration shall be inspected for foundation, framing, plumbing and wiring prior to covering, and a general inspection shall be made on the completion of the work. No dwelling may be occupied except upon receipt of a certificate from the building inspector signifying full compliance with the code.

3. On the request that an inspection be made, the building inspector shall complete said inspection within forty-eight (48) hours.

ARTICLE VI

Any person who violates any provision of this code shall be punished, upon conviction, by a fine not exceeding fifty dollars (\$50) for each violation. Each day of non-compliance shall constitute a new violation.

ARTICLE VII

1. The Selectmen shall appoint a three-member board which shall be known as the Board of Appeal. (RSA chapter 156:4A)

2. Any appeal taken from the decision of the building inspector hereunder shall be made to the Board of Appeal for the Town of Barrington.

ARTICLE VIII

Definitions

"Person" shall mean any individual, partnership, corporation, or real estate trust.

"Dwelling" shall mean any building or structure used as or intended for use as a human habitation.

"Good building practices" shall be those building practices endorsed by the National Building Code and the National Electrical Code.

ARTICLE IX

The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

ARTICLE X

This ordinance shall take effect upon its passage.

ARTICLE 4. Is the town in favor of enacting an ordinance which specifies that all subdivision of land within the town of Barrington, requiring state approval, will have placed on file, by the owner of the land, a copy of the state approved plot plan at the town offices?

This Article was also included on the official town ballot, and the results of the voting were 285-121 in favor of enacting an ordinance which specifies that all subdivision of land within the town of Barrington, requiring state approval, will have placed on file, by the owner of the land, a copy of the state approved plot plan at the town offices.

ARTICLE 5. To choose all other necessary town officers.

On motion made by Faith Wallace and duly seconded by Janet Varney, it was voted: to empower the selectmen to appoint all other necessary town officers.

ARTICLE 6. To see if the town would vote to have a budget committee consisting of one selectman, and one member of the school board, plus 5 to 7 others.

George McDaniel challenged Article 6 as illegal and subject to question. He stated that the statutes require that following a petition with the signatures of 10 legal voters, the warrant shall include an article which asks if the town "will adopt the provisions of the municipal budget law" instead of the wording in Article 6 as posted.

On motion made by George McDaniel and duly seconded. it was voted: that Article 6 be inexpedient to legislate.

The selectmen advised that they would entertain a motion under Article 32 that a hearing be held on the budget not less than 30 days before the next town meeting, so the budget can be presented and discussed.

ARTICLE 7. To see what the town wishes to do in the matter of an ordinance pertaining to the leashing of dogs.

A motion made by Earl Colby and seconded by Wayne Monaghan that Article 7 be inexpedient to legislate was defeated.

Discussion of the Article included incidents related by individuals as to children having been bitten by dogs, people being harassed in their yards, and dog packs running the town. Adam Millette, the dog officer, stated that he was informed by the state game warden that the town of Barrington was the worst town in the district and fairly close to the worst town in the state for deer-running dogs. He further stated that until someone files a complaint against a dog, there is nothing he can do and that most of his actions are based on calls from people. Answering a question on which type of dog is the worst offender and damage causer, Mr. Millette stated that 50% are licensed household pets and 50% are unlicensed dogs, presumably without a home.

On motion made by Alice Garnett and seconded by Barbara DiVirgilio, it was voted: that the town accept the proposed dog ordinance that is printed on page 67 of the 1971 Town Report as read.

This dog ordinance is as follows:

DOG ORDINANCES

Section 1. Prohibiting dogs from running at large.

(a) "Dog" shall be intended to mean both male and female.

(b) "At large" shall be intended to mean off the premises of the owner or keeper, and not under the control of the owner or keeper.

2. No owner or keeper of any dog shall permit such dog to run at large within the Town of Barrington at any time.

3. It shall be the duty of every police officer to apprehend any unlicensed

dog, or any dog found running at large, contrary to the provisions of this ordinance, and to impound such dog in a suitable place or cause it to be transported to a veterinarian authorized by the Town to accept such dogs. If such dog has upon it the name or address of the owner, or if such name or address is otherwise known, then the Dog Warden shall notify the owner within twenty-four (24) hours after seizure of such dog. If the dog impounded does not have the name or address of the owner, and if the owner is otherwise unknown, then no notice shall be necessary.

4. The veterinarian shall keep said dog at the expense of the Town for a period of seventy-two (72) hours. If, after such time the dog remains unclaimed then, and in such event, the veterinarian shall dispose of said dog at the expense of said Town.

5. Any owner of a dog, so seized, may reclaim said dog during the seventy-two (72) hour period provided therefor by furnishing proof of a proper license and reimbursing said Town any sum expended for the harboring of said dog.

6. Any unlicensed dog so seized and harbored in the manner herein prescribed, and unclaimed by its owner, may be claimed by any person who will license said dog and reimburse said Town that sum expended for its keep.

7. The Town shall pay for the harboring and disposal of unlicensed dogs, and dogs found running at large, exclusively from the receipts obtained from the sale of dog licenses.

8. Any owner or keeper of a dog found violating any of the provisions of this ordinance shall be punished by a penalty of not less than \$5.00 or more than \$10.00 for each violation.

9. Dog Control Department

(a) The Dog Control Department shall be headed by a special officer to be known as the "Dog Warden" to be appointed by the Selectmen of Barrington and to be under the immediate supervision of the Selectmen. The "Dog Warden" shall have the power to make arrests in the performance of his duties.

(b) The Dog Warden shall perform the following duties --

He shall attend to all complaints or other matters pertaining to dogs; shall investigate and report on all damage caused by dogs; shall enforce the licensing laws and shall enforce all other statutes, ordinances and regulations pertaining to dogs; pick up and dispose of all dead animals found upon public property.

ARTICLE 8. To hear reports of the Committee for the Proper Observance of the Town's 250th Anniversary and to advance up to the sum of \$10,000 for the purchase of plates, coins, and other expenses. Profits, if any, to be placed in the custody of the trustees of trust funds until such time as the committee can determine a suitable memorial on which to spend the profit to dedicate the

occasion.

Dana Caswell, coin committee chairman, was asked to give a current report on the progress of the anniversary celebration. He stated that, in addition to the report on page 69 of the Town Report for 1971, the receipts from February's coin sales amounted to \$3,000 alone. The town treasurer has a total amount of \$1,931.50 on the books with an additional \$900 in checks to go to her at this date. He requested an additional \$1,000 to \$1,500 to add as a cushion on the requested \$10,000 and explained that much of the money will not be coming in from the celebration until it is over. The selectmen added that they were hopeful that the anniversary will bring in more than the committee is authorized to spend and that they themselves were convinced that there would be a profit shown and said that they supported the project.

A motion made by George Calef and seconded by Earl Caswell to raise and appropriate the sum of \$10,000 to cover the needs of Article 8 was recinded in favor of the following motion:

On motion by George Calef and seconded by Earl Caswell, it was voted: That the town raise and appropriate the sum of \$11,500 for the purchase of plates, coins and other expenses. Profits, if any, are to be placed in the custody of the trustees of trust funds until such time as the committee for the proper observance of the town's 250th anniversary can determine a suitable memorial on which to spend the profit to dedicate the occasion.

ARTICLE 9. To see if the town will raise and appropriate the sum of \$100 for the town's participation in the Lakes Region Association.

Selectman Musler read the reference to Barrington in the Lakes Region Association publication to the townspeople.

On motion made by Alice Garnett and seconded by Dana Caswell, it was voted: To raise \$100 for the town's participation in the Lakes Region Association.

ARTICLE 10. To raise and appropriate the sum of \$5,100 for the support of the town poor, old age assistance, aid to the disabled, and other town charges.

On motion made by Earl Caswell and duly seconded, it was voted: To raise and appropriate the sum of \$5,100 for the support of the town poor, old age assistance, aid to the disabled, and other town charges.

ARTICLE 11. To see if the town will raise and appropriate \$1,937.00 in support of the Rural District Health Council.

Selectman Fogg made a statement to the townspeople with reference to the activities of the RDHC. He said that they hope to hold a child health council for the town this spring. He felt that this organization made an important contribution to the town. John Richardson also spoke in favor of supporting the RDHC

and said that this really is a bargain for the services they render.

On motion made by Ruth Leighton and duly seconded, it was voted: That the town raise and appropriate \$1,937 in support of the Rural District Health Council.

ARTICLE 12. To see if the town will raise and appropriate the sum of \$800 as the town's share of the support of the Strafford Guidance Clinic.

Barry Clough, principal of the grade school, spoke on behalf of the Strafford Guidance Clinic. He said that a case worker will come to the school and discuss with the staff any children who may have a problem. He stated that the state doubles every dollar raised locally, and that it is a requirement of the state that guidance services be provided for students, although a full-time guidance staff member is not required. He felt that the town would be in a better position by passing Article 12. It was also mentioned that this service is not for school children alone, but may be used by any person in the county who has a problem. An appointment with the Clinic would be granted to any adult who has a mental or marital problem or to any child who has difficulties because of an emotional or mental health problem.

On motion made by George Musler and duly seconded, it was voted: That the town raise and appropriate the sum of \$800 as the town's share of the support of the Strafford Guidance Clinic.

ARTICLE 13. To raise and appropriate the county tax.

On motion made by Earl Caswell and duly seconded, it was voted: To raise and appropriate the money for the county tax.

ARTICLE 14. To see if the town will authorize the selectmen to borrow up to the sum of \$100,000 in anticipation of taxes if necessary.

On motion made by June Colby, and duly seconded, it was voted: To authorize the selectmen to borrow up to the sum of \$100,000 in anticipation of taxes if necessary.

ARTICLE 15. To see if the town will raise and appropriate the sum of \$30,000 for maintenance of town roads and bridges.

It was stated that \$29,934.79 was the total of summer and winter maintenance for the year 1971 and that three-fourths of the money went for small specific items, such as miscellaneous road work, dust control and brush cutting.

On motion made by Earl Caswell and duly seconded, it was voted: To raise and appropriate the sum of \$30,000 for maintenance of town roads and bridges.

ARTICLE 16. That the Long Marsh Road, also known as the Bumfaggin Road, or Range Road or Second City Road a road leading from the Cannan Road, Route 202 to a point where it joins the Al Wood Road so called, be reclassified as a Class V Highway and repaired and maintained to and in keeping with funds apportioned for construction, reconstruction and maintenance allotment purposes to and in keeping with Chapter 241, section 14 of the revised Statutes Annotated of the State of New Hampshire.

A motion made by Douglas Stevenson and duly seconded that the town accept Article 16 as written in the town warrant, and the sum of \$2,000 to be expended from those funds provided by Chapter 241, Section 14 of the Revised Statutes Annotated of the State of New Hampshire, was defeated.

This Article also precipitated a lengthy discussion. Douglas Stevenson answered questions on the exact location of the Long Marsh Road and said that it was an old road and perhaps went back to 1730. He stated that it had been used for many years as a road.

John Ramsdell stated that Long Marsh Road actually is a road for three-fourths of a mile to an abandoned home. From that point on, there was no road and definitely not open to any amount of travel. He stated further that it was only as wide as he could lie down and that it would take blasting to get a car through.

Mr. Stevenson said that he knows of many people who want to buy available land in Barrington. He further stated that there were approximately 2,000 acres for sale, if people could get in through by way of the Long Marsh Road. In answer to a question from Gerald Pinzari, he said that the land owners, along with others, were Mr. Boody, Mr. Goodstein and Mr. and Mrs. Stevenson.

Mr. Ralph Swain stated that he runs Class V roads with school buses and that a lot more places than the Long Marsh Road could stand the money.

Walter Lovell stated that he has taken a 1971 Volkswagen bus down the Long Marsh Road and will never do it again. He said that he lives on the Young Road and was disappointed that there weren't funds to spend on that road. He felt that it was time that Barrington stopped opening new roads and paving unpaved roads and bring already-paved roads up to a reasonable level and make already-existing and used dirt roads passable. He felt that there were many other roads in the town that could put this money to better advantage.

Mr. Stevenson stated that he would like to have it on record that he has taken "one awful lot of punishment" in Concord. He has been in Barrington since 1928 and has always worked for the town and has done what he thinks best for it. He further stated that the road in question needs attention and that he had only asked for \$2,000 and that, if the voters did not want to give it, he was sure that the town would pay more for it "in other days".

In response to a question on what was meant by the above statement, Selectman Musler said that he thought Mr. Stevenson meant that Long Marsh Road is now a Class VI highway and not maintained by the town. Eventually, Mr. Stevenson might go through the courts and force the town to reclassify the road. He further stated, in response to another question, that the road could be declared closed only through a separate article. He said that the selectmen preferred the Class VI classification, since roads which are already laid out are easier to bring up to a satisfactory level than it is to make out a new layout. If the town closes a road by virtue of gates and bars, and it is again opened, the only dimensions the town is entitled to is "wheel rut to wheel rut", which refers to wagon wheels. Any additional width would result in negotiation and purchase with land abutters. In reference to the funds forthcoming from the state for road care, Selectman Musler explained that Barrington will receive \$19,000 this year. The state takes the additional monies that have been applied to the gas tax and apportions it back to the town and cities, based on the number and miles of road in the towns, to be used for road maintenance.

Mr. Stevenson again rose and stated that he had instituted this article because he did not want the money to last so that the other towns would get it, which, he said, would happen if the money was not spent. He said that if the townspeople thought \$2,000 was too much, he would be satisfied with \$1,200 or \$1,000 so he would not have to go through the "process". He further stated that, if the town saw fit not to allot any money, that it would cost Barrington, in the end, many thousands of dollars to fix the road.

In answer to a question from Gerald Pinzari, Mr. Musler said that if Article 16 was defeated, the selectmen would, indeed, find a "home" for the \$2,000 that had been requested by Mr. Stevenson.

ARTICLE 17. To raise and appropriate the sum of \$10,000 for the purpose of reconditioning Beauty Hill Road.

On motion made by Douglas Stevenson and duly seconded, it was voted: That the town raise and appropriate the sum of \$10,000 for the purpose of reconditioning the Beauty Hill Road.

ARTICLE 18. To raise and appropriate the sum of \$5,000 to be used for paving the unpaved section of the Mallego Road.

On motion made by Douglas Stevenson and duly seconded, it was voted: To raise and appropriate the sum of \$5,000 to be used for paving the unpaved section of the Mallego Road.

ARTICLE 19. To raise and appropriate the sum of \$5,200 to be used to rebuild or replace the Berry Bridge on Second Crown Point Road.

On motion made by Paul Lewis and duly seconded, it was voted: To rebuild the Berry Bridge on Second Crown Point Road with steel "I" beams so as to preserve the surrounding stone work, extra money to be spent on resurfacing Second Crown Point Road.

ARTICLE 20. To raise and appropriate the sum of \$1,259.90 for Town Road Aid, state share to be \$8,399.35.

On motion made by Ed Beal and duly seconded, it was voted: To raise and appropriate the sum of \$1,259.90 for Town Road Aid, state share to be \$8,399.35.

ARTICLE 21. To have the TRA money laid out on the Al Wood Road so called starting at the France Road.

Selectman Musler read a letter addressed to himself as Chairman of the Board of Selectmen, dated February 24, 1972, from a state official, wherein it was recommended that the TRA money be used toward the completion of the France Road.

On motion made by Walter Lovell and duly seconded, it was voted: That Article 21 be inexpedient to legislate and that the selectmen have agreed to spend any remaining TRA money on the Al Wood Road this year, if there is any left over.

ARTICLE 22. To agree that henceforth, that section of the road running from Route 202, by the Fred Timm place to the Northwood Town line, shall be known as the Cooper Road.

Mr. Lovell stated that he was shown a state statute, RSA 271:1, which states that the Selectmen will maintain a road sign at either end of every road, In addition, it also stated that the Selectmen shall be solely responsible for determining the name of a road.

Mr. Musler stated that the selectmen preferred that the governing body rule.

On motion made by Marjorie Mielke and duly seconded, it was voted: That that section of road running from Route 202, by the Fred Timm place to the Northwood Town line, shall be known as the Cooper Road.

ARTICLE 23. To see if the town will vote to abandon a section of the road sometimes known as the Dr. Grigg Road from its intersection with the Rowell Road so called to its intersection with a road known to same as the Elmer Berry Road and to see if the town will also abandon a section of the Elmer Berry Road for a distance of approximately 800 feet from its intersection with the Dr. Grigg Road.

In response to a question on the reasoning behind this Article, Mr. Musler stated that Mr. Rainbolt wanted to run a fence across this road to maintain cattle, if he should get any, and that he could not do so unless the road was abandoned. He further stated that the selectmen preferred to keep it as a Class VI highway and allow by a motion Mr. Rainbolt to run a fence across it to maintain his cows until such time as it is raised to a Class V highway. He said that snowmobiles have the right to pass over Class VI roads.

A motion made by Earl Caswell and duly seconded to accept Article 23 as written was defeated.

ARTICLE 24. To see what the town is to do about final acceptance of the Meadowbrook Road after hearing reports of the Selectmen.

Selectman Fogg gave his report and recommendation, and on motion made by him and duly seconded, it was voted: That the town not accept the Meadowbrook Road.

ARTICLE 25. To see if the town will raise and appropriate the sum of \$200 to be used in cooperation with state and federal funds for control of White Pine Blister Rust within confines of the town.

On motion made by Alice Garnet and duly seconded, it was voted: To raise and appropriate the sum of \$200 to be used in cooperation with state and federal funds for control of White Pine Blister Rust within the confines of the town.

ARTICLE 26. To see if the town will raise and appropriate the sum of \$1,400 for use by the Barrington Library Association.

On motion made by Carl Smith and duly seconded, it was voted: To raise and appropriate the sum of \$1,400 for use by the Barrington Library Association.

ARTICLE 27. To see if the town will raise and appropriate the sum of \$225 for the observance of Memorial Day.

On motion made by Robert Drew and duly seconded, it was voted: To raise and appropriate the sum of \$225 for observance of Memorial Day.

ARTICLE 28. To see if the town will authorize the selectmen to use the services of the State Tax Commission for the purpose of assessing property within the town and raise the sum of \$2,000 to cover the expense.

On motion made by Carl Smith and duly seconded, it was voted: To authorize the selectmen to use the services of the State Tax Commission for the purpose of assessing property within the town and raise the sum of \$2,000 to

cover the expense.

ARTICLE 29. To see if the town will raise up to the sum of \$1,000 to cover the expense of preliminary work to prepare tax maps for the town.

On motion made by Carl Smith and duly seconded, it was voted: To raise up to the sum of \$1,000 to cover the expense of preliminary work to prepare tax maps for the town.

ARTICLE 30. To approve the town's participation in the Emergency Employment Act of 1971 (Public Law 92-54/92nd Congress).

The selectmen informed the townspeople that Congress had set aside funds for a two-year period to provide monies to any area where there is a severe unemployment problem. They stated that they had already entered into an agreement to make use of this money and were asking for the town's support. They felt that the best use of it could be made by the school and said that the funds were being used for a remedial teacher. The town's share could be in the manner of a service and this has been done by providing her with a classroom and supplies. They also stated that the remedial teacher will be available during the summer.

On motion made by Esther Drew and duly seconded, it was voted: To approve the town's participation in the Emergency Employment Act of 1971 (Public Law 92-54/92nd Congress).

ARTICLE 31. To see if the town will accept all other items in the budget not covered by articles in the warrant.

On motion made by Alice Garnett and duly seconded, it was voted: To accept all other items in the budget not covered by articles in the warrant.

ARTICLE 32. To transact any other business that may legally come before said meeting.

Gerald Pinzari suggested that the town consider selling the 90 acres of land the town recently bought for a town dump to the school district in anticipation of the impending regional dump situation. Mr. Stevenson stated that the legislature had seen fit to pass a law with reference to regional dumps and that, if the state thinks Barrington has suitable land for a regional dump, they will take it by eminent domain, if they have to.

George Musler suggested a motion empowering the selectmen to investigate any legal remedies that might be available to them at this time with reference to Mr. Pinzari's suggestion and present same at the next regular town meeting in the form of an article on the warrant.

On motion made by George Musler and duly seconded, it was voted: That the selectmen be instructed to look into the 90 acres of Barrington land purchased for dumping in relation to the regional dump situation, see what remedies are available, and if there is any remedy available that has any significance, the selectmen are to call a special town meeting.

On motion made by George Musler and duly seconded, it was voted: That the selectmen be requested to appoint an advisory committee to support the selectmen in preparation of budgets and for public hearings to be held to review the budget not less than 30 days before town meeting.

On motion made by Marjorie Mielke and duly seconded, it was voted: To adjourn.

Adjourned accordingly at 12:00 Midnight.

N. A. Belleville

SPECIAL TOWN MEETING - June 13, 1972

At a legal meeting of the inhabitants of the Town of Barrington in the County of Strafford in said State, the following action was taken on the Town Warrant on Tuesday, the 13th day of June 1972.

The meeting at the Barrington Grade School in Barrington was called to order by Moderator E. Richard Rowell at 8:30 P.M.

Number of eligible voters on check list: 905

ARTICLE 1. A motion was made that the Town authorize the Board of Selectmen, from the sum of One Hundred and Thirty-Five Thousand (\$135,000.00) Dollars previously appropriated for the construction, equipping and furnishing of a Town Hall, to purchase land from the Barrington School District upon which to construct the same and in addition to determine the terms and conditions upon which notes or bonds shall be issued to finance said appropriation, to include fixing the date, maturities, denominations, interest rate, place of payment, form, and other details and the sale thereof in accordance with the Municipal Finance Act, New Hampshire RSA Chapter 33 and any amendments relating thereto. Motion: F. Timm. Seconded: E. Beal.

The polls were declared open for voting on Article 1 at 8:40 P.M. and were closed at 10:42 P.M.

Total number of votes cast:	49
Yes:	45
No:	4

ARTICLE 2. A motion was made that the meeting be adjourned at 10:43 P.M. Motion: G. Musler.

Police	1,350.00
Fire	3,800.00

ARTICLE 4. To see what the Town wishes to do in regard to allowing the
presence and consumption of alcoholic beverages in the new Town building.

ARTICLE 5. To see what the Town wishes to do about the salaries of

certain town officers.

ARTICLE 6. To see if the Town will raise and appropriate the sum of \$100.00 for the Town's participation in the Lakes Region Association.

ARTICLE 7. To raise and appropriate the sum of \$5,350.00 for support of the Town poor, old age assistance, aid to the disabled and other Town charges.

ARTICLE 8. To see if the Town will raise and appropriate the sum of \$880.00 as the Town's share of the support of the Strafford Guidance Clinic.

ARTICLE 9. To see if the Town will raise and appropriate the sum of \$2,379.00 in support of the Rural District Health Council.

ARTICLE 10. To see if the Town will raise and appropriate the sum of \$1,500.00 for use by the Barrington Library Association.

ARTICLE 11. To see if the Town will raise and appropriate the sum of \$1,651.24 as the Town's share in the support of the Strafford County Dispatch Center.

ARTICLE 12. To see if the Town will raise and appropriate the sum of \$35,000.00 for maintenance of Town roads and bridges.

ARTICLE 13. To see if the Town will raise and appropriate the sum of \$1,246.89 for Town Road Aid, State share to be \$8,312.62.

ARTICLE 14. To see if the Town will raise and appropriate the sum of \$19,064.59 to be used to improve portions of the following roads --

Young Road

Cannan Road

Beauty Hill Road

Province Road (By Town Hall)

2nd Crown Point Road

ARTICLE 15. To see if the Town will authorize the Selectmen to appoint a Highway Agent and permit the Selectmen to fix the salary of said agent.

ARTICLE 16. To authorize the Selectmen to fix the names of all Town roads, open or closed.

ARTICLE 17. To see if the Town will raise and appropriate the sum of

\$3,000.00 to improve the parking areas associated with the Town Hall.

ARTICLE 18. To see if the Town will raise the sum of \$3,000.00 to be placed in trust for the future purchase of a fire truck.

ARTICLE 19. To hear reports of the committee for the Proper Observance of the Town's 250th Anniversary concerning disposition of the profits from the anniversary celebration past and to act upon the recommendation of said committee.

ARTICLE 20. To see if the Town will vote to set aside a defined portion of the Town owned property adjacent to Smoke Street for use by its children in various athletic programs. This property to be maintained and its athletic programs supervised by the Barrington Youth Association. (By petition)

ARTICLE 21. To see if the Town will vote to set aside the 48 acre Trickey lot, so called, owned by the Town for use as a wild life refuge.

ARTICLE 22. To see if the Town will vote to establish a conservation commission under all the provisions of RSA 36A, said commission to consist of seven members and authorize the Selectmen to appoint said members within thirty days of the annual Town meeting here convened. (By petition)

ARTICLE 23. To see if the Town will approve changing publication of the property assessment listing to once every three years.

ARTICLE 24. To see if the Town will authorize the Selectmen to borrow up to the sum of \$100,000.00 in anticipation of taxes if necessary.

ARTICLE 25. To see if the Town will accept all other items in the budget not covered by articles in the warrant;

ARTICLE 26. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this Fourteenth day of February, in the year of our Lord nineteen hundred and seventy three.

REPORT OF BARRINGTON FIRE DEPARTMENT

The fire log for 1972 shows 38 calls: 15 woods and grass fires; 9 house fires; 2 out of town calls; 3 resuscitator calls and 1 false alarm.

We are fortunate to be members of a mutual aid organization capable of supplying a large amount of assistance if required for fire fighting.

Two Scott Air Pacs were purchased for use in dense smoke and poisonous atmospheres.

A 10 hour training course on self-contained breathing apparatus will be completed February 27, 1973.

The Fire Department was host to neighboring towns who participated in the 250th anniversary and took part in 3 parades in nearby towns.

The members have purchased their own uniforms for parades and meetings.

At present we need to replace protective gear, boots, coats, and helmets. Planning is under way to up-date our communications system as the town continues to grow.

7700 is the fire ALARM telephone number and is NOT to be used except for emergencies.

Sumner A. Hayes
Chief

REPORT OF THE FOREST FIRE WARDEN & DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative state-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous

and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	102 fires	55½ acres burned
TOWN	7 fires	2¼ acres & 3 spot fires

District Chief
Alfred E. Grimes

Forest Fire Warden
Sumner A. Hayes

BARRINGTON POLICE DEPARTMENT

1972 ACTIVITY REPORT

On October 14, 1972 the town of Barrington received its first police cruiser. This vehicle was a gift from members of the police department and other people of the town. The police department has used this vehicle to improve all police services to the community.

From July 1, 1972 to December 31, 1972 there were 109 incidents reported from the Strafford Dispatch Center, which were investigated. The department received a total of 283 calls in the year 1972, which is about 40% more than in 1971. Over 500 hours were spent on these calls.

In 1972 the department investigated:

- 11 Motor Vehicle Accidents
- 7 Burglaries
- 1 Larceny
- 2 Missing Persons

The department made:

- 18 Motor Vehicle Arrests
- 1 Criminal Arrest
- 34 Motor Vehicle Checkups
- 46 Motor Vehicle Warnings
- 1 D.W.I. Arrest
- 118 Building Checks

The department recovered 4 stolen cars which were stolen from other towns. Two vehicles were stolen from the town of Barrington and were recovered in other towns.

The department received aid from other towns and the State Police 16 times in 1972 and gave aid to other towns 7 times during the year.

As the town grows, so does the police activity. You can help us and yourself by calling 742-4968 anytime, 24 hours a day, for police and ambulance help.

LIBRARY REPORT -- 1972

We are looking forward to being in our new and larger quarters soon. There will be a lot of work involved in getting things ready for the public. We have added 125 new books to the library's collection and discarded approximately half that amount.

As yet we are not fully cataloged although we have been working towards this goal steadily. The adult fiction, except for the new books as they come in, have not been cataloged at all. Although this is not a difficult task it is very time consuming. We have circulated about 10,000 books this past year. That includes both adult and children's books.

This past year both of us took a very informative library course, paid for by the state, on reference books and how to use them. We received a list of excellent reference books and found how really inadequate the library's reference section is. Encyclopedias should be updated every ten years. This means that our Americana set dating 1954 is much too old and our World Book for the children (1965) is rapidly approaching the expiration date.

We have received a sizeable donation of books from the Durgin estate.

The library remains open the same number of hours: Wednesdays, 8:30 A.M. to 4 P.M. and the first Monday of the month, 7 - 8 P.M. during the school year, and Wednesdays 2 - 4 P.M. during the summer. Actually a town the size of Barrington is required by the State Library to remain open at least 15 hours a week. Whether the hours will change when we move into the new library remains to be seen.

REPORT OF THE DOG OFFICER

During 1972 I received 140 complaints concerning dogs. I traveled over 1300 miles. The complaints covered are listed below:

19 dogs hit by cars.

14 dog bites

Received calls on 19 lost dogs, found 5 of them.

Picked up 69 dogs. Of the 69, I found homes for 20 of them, 22 were reclaimed by owners. 19 were taken to a vet, 8 to the Rochester Dog Pound.

Found 2 dogs shot in woods.

2 cases of dogs in hen houses.

2 cases of hens being killed by dogs. Found both owners.

2 cases of ducks being killed by dogs.

1 lamb killed by dog, found owner.

22 paid penalty for dogs running at large.

Adam Millette
Dog Officer

THE LAKES REGION ASSOCIATION

What It Does For You and Your Town

As the Lakes Region Association enters its thirty-seventh year of service to the thirty-nine towns and three cities it represents, we face the annual task of appeal to our communities for support of their association. Regional cooperation in economic development as practiced by the Regional Associations in New Hampshire, was once most unique, but now several other states have watched the fruits of our efforts and have adopted a similar program for their state. We present herewith our request for your consideration in the preparation of your town's 1973 Budget.

Your Association becomes the catalyst in coordinating action between the state agencies and the local communities, so that the greatest benefits from research, planning, development and promotion can all be realized in our Region.

Never before has the need been greater to combine funds to get the greatest return for all. Through the Region program your community finds its spokesman, to the interested visitor, who wishes more information on our Region.

Our office services approximately ten thousand letters, each year on this area. Most of our small towns do not have chambers of commerce, and we willingly handle all letters passed on to us by local Selectmen's offices.

For the past three years much of our time has been spent working with Regional Planning Commissions, as both of our efforts are united for the good of the Region. Our efforts do not overlap, for there are many areas that are in their province and many that they do not cover, that we carry the ball on.

The Lakes Region Association is vitally concerned with every aspect of regional development, concentrating on those problems which are likely to affect the orderly growth and development of one or more of our municipalities. The Regional Association is acutely conscious of the necessity to preserve the unspoiled beauty of our rural towns and protect the amenities of life for which our Region is justly proud.

By your town's proportionate share towards the operation of our office, you have an agent that is working, year round for your needs. Involved in the Region's interest on all points from Natural Resources, highways, community planning, historical sights, as well as publicity and promotion.

RURAL DISTRICT HEALTH COUNCIL ANNUAL REPORT

January 1, 1972 - December 31, 1972

The Rural District Health Council is continuing to provide comprehensive health services to the member towns: Northwood, Nottingham, Deerfield, Barrington, Strafford, New Durham and Middleton. The nurses provide visiting nurse services as ordered by the physicians, and physical, occupational and speech therapy is available through a contractual agreement with the Portsmouth Rehabilitation Center. There is an active Family Planning program for anyone interested.

The Well Child Clinics continue to be a very important part of the program. Monthly clinics were held at the Deerfield Community Center for preschool children from Northwood, Nottingham and Deerfield with Dr. William Whitney of Exeter as attending physician. The New Durham Community Center is the site for a monthly clinic for preschool children of New Durham and Middleton with Dr. Wendy Tinklepaugh of Amherst, N.H. attending. In August, a new monthly clinic was initiated at the Barrington Congregational Church for preschool children of Barrington and Strafford with Dr. Tinklepaugh in attendance. Physical examinations and immunizations are done at each of these clinics.

In August, Mrs. Madeline Sullivan moved from the area and Mrs. Ardala Houle has been employed to fill the vacancy. Miss Arlene Thorne continues in the program with a dedication known to all who have the privilege of knowing her. These two nurses provide excellent care for their patients and their spirit of cooperation is a great factor in the continuing success of the Rural District Health Council.

Recently, the towns of Farmington and Milton have expressed interest in joining the Rural District Health Council. This is to be acted upon at their town meetings. The Council representatives are also investigating the possibility of locating the office in one of the member towns and establishing the agency independent of the Portsmouth Rehabilitation Center. With the continued expansion of the Council, the coming year could prove to be a busy one for all involved in the program.

The Rural District Health Council has been supported by the funds contributed by the towns at a rate of \$1.00 per capita, a state grant and fees for service.

Anyone interested in the program or needing the service is asked to contact Mrs. Cynthia Blood at the Portsmouth Rehabilitation Center, Tel. 436-5716, or a representative of the Rural District Health Council in his town.

Cynthia Blood

REPORT OF THE BARRINGTON HEALTH OFFICER

Since assuming the position of Health Officer for the Town of Barrington on September 9, 1972, I have responded to the complaints that have been called to my attention. Upon calling on the parties involved and bringing to their attention the offense, the problems were solved.

Some of the complaints that I received did not fall under the jurisdiction of the Health Officer and in these cases I so stated that there was nothing that I could do. The Department of Health and Welfare in Concord publishes a manual which I have to follow in order to do my job correctly and also not to overstep my authority.

Salvatore Farina
Health Officer

TAX MAP

I believe good progress has been made on the beginning of a Tax Map for the town. There are still some trouble spots, but I believe they will work out when placed on a suitable and acceptable map.

All folks have been very helpful -- there is a lot of land surveyed -- not known to the average person. Some do not yet know their bounds, and boundry lines will be disputed for a good many years.

H. Flower
February 3, 1973

REPORT OF THE STRAFFORD GUIDANCE CENTER, INC.

The Strafford Guidance Center is a community mental health agency with offices in Dover. It is accredited under the state Community Mental Health Centers Act, RSA 126:B, and is qualified to receive state and local funds from both public and private sources.

The services of the Strafford Guidance Center are available to all residents of Strafford County without regard to ability to pay. In the last fiscal year, members of the Guidance Center Staff treated a total of 904 patients, people of all ages, only a small percentage of whom were able to pay the Center the full value of services rendered. The following chart indicates the extent of patient use in your community in the last year.

The Guidance Center exists to provide a needed public service. To provide that service it needs public support. The total operating budget last year was \$153,571.00.

Patient Activity for Fiscal Year 1971-72

Patients carried over from June 1971	334
New admissions July '71 to June '72	570

ANNUAL REPORT OF BUILDING INSPECTOR -- 1972

Number of Building Permits Issued, January to December 31, 1972 234

CATEGORY	No. Permits	EST. COST OF CONST.
Residential	39	\$ 743,700.00
Trailers	89	547,373.00
Garages, Barns, Workshops, Well House	36	85,195.00
Additions, Reconstruction, Swimming Pools	47	71,610.00
Apartments, Restaurant, Infirmary, Rec. Hall, Town Hall	6	286,850.00
Cottages (seasonal)	17	69,150.00
Total Estimated Cost of Construction		\$1,803,878.00
Fees Collected by Town on Permits Issued		\$ 2,996.00
Number of Inspections	142	
Number of Violations	40	
Violations still in effect	2	
Inspectors Fees for Inspections		\$ 338.00
Inspectors Fees for Permits Issued		\$ 334.50
Inspectors Expenses (postage, telephone, books, mileage, labor)		\$ 39.41
N.H. State Seminar on Planning & Zoning Mileage to Concord, N.H. (10 weeks)		\$ 89.00
Assistant Inspectors Fees for Inspections L. Clough, Apr. to Sept.		\$ 96.06
J. Sanders, Oct. to Dec. 31		\$ 171.74

The estimated cost of construction of above figures have no bearing on individual property taxes, as they are cost of construction only and do not include land costs or betterments.

I was appointed Building Inspector of the Town of Barrington, April 8, 1972, with very little experience as to the duties of a Building Inspector, and with a very vague Building Code to work with, but was indoctrinated very quickly.

Through the process of yellow violation slips and a little common sense I became educated to the fact that people, as a rule, were very cooperative, and found that if they knew what was required by the Town, were willing to accept the fact that I was doing my duty as an authorized inspector.

After many hours of study and miles of town roads covered, any problems that existed or were brought to my attention were taken care of in the proper manner by me or through the Selectmen or legal council.

A new Zoning Ordinance was passed Sept. 12, 1972 adding to my duties as an inspector, but giving us more guidelines to go by.

I received a great deal of valuable information from the "N. H. State Seminar on Planning and Zoning" that I attended, which should be of great help in the future.

I wish to extend my thanks for cooperation received from the citizens of the Town and to the non-resident property owners, and officials of the Town who I have had the pleasure of serving this past year.

Respectfully submitted,
Earl W. Colby,
Building Inspector

ANNUAL SCHOOL MEETING - March 6, 1972

The annual School Meeting of the town of Barrington, held at the Barrington Grade School on March 6, 1972 was called to order at 8:00 P.M. by the Moderator, William Wallace.

ARTICLE 1. It was voted to by-pass this Article for the present time. Motion: E. R. Rowell.

ARTICLE 2. Voted to accept the reports of agents, auditors, committees, or officers chosen as written in town report. Motion: F. Timm.

ARTICLE 3. It was voted to pass over this article until we complete article 8. Motion: E. R. Rowell.

ARTICLE 4. It was voted to raise and appropriate \$361,064.84 for the support of schools, salaries of school district officials and agents, and for the payment of statutory obligations of the district. Motion: P. Newall. (There was much discussion concerning the increase in the tuition figure, also concerning the bussing of the high school students to the AREA school in Rochester. The article was passed unanimously.)

ARTICLE 5. Voted we pass this article until No. 6 is acted upon because the outcome of No. 6 is necessary before No. 5 can be acted upon. Motion: G. Musler.

ARTICLE 6. An explanation of this article was given by Mr. Morgan. He explained that the state directs the article be written up in this detailed manner. The dual enrollment of Barrington with St. Thomas Aquinas High School is in complete agreement with Rochester. Also, the town would be eligible for state aid to help with the cost of dual enrollment, if the article is passed. George Musler moved acceptance of the article. E. Young moved we vote by secret ballot. Motion passed. A recess to vote by ballot was called at 9:40 P.M. Polls opened at 9:45 P.M. Closed at 10:10. Yes 51, No 45. Article passed.

Meeting continued at 10:15 P.M.

Returned to ARTICLE 5. It was voted to appropriate the sum of \$41.00 for payment of Child Benefit Services provided by the School District of Dover to students who are residents of this school district and who attend Saint Thomas Aquinas High School, and further authorize the school board to apply for any grant from the State as provided under RSA 198-22. Motion: F. Timm. (This article covers guidance counseling and health services for students attending

St. Thomas Aquinas High School.)

Returned to ARTICLE 1. Voted the salaries of the school board and truant officer, and compensation of any other officers or agents of the district be as adopted in the budget. Motion: G. Musler.

ARTICLE 7. Motion was made to see if the District will vote to instruct its representatives to the General Court to seek alternatives to the property tax as the major means of financing public schools in N.H. Motion: E. Sharon. This article was by petition and because no one was present who signed the petition the motion was withdrawn by Mr. Sharon. Voted inexpedient to legislate. Motion: G. Musler.

ARTICLE 8. Returned to article 3. Voted the school board be authorized to appoint any agents and committees in relation to any subject embraced in this warrant. Motion: E. Young.

The motion was made by F. Timm that the school board authorize a fee of 25¢ per trip be paid by high school students to the AREA school in Rochester. Mr. Morgan stated that in his opinion this would have to be an article in the warrant as it means a major change in a previous vote. Mr. Timm withdrew his motion.

M. Timm suggested a thank you was in order to E. R. Rowell, outgoing school board member, for his years on the school board. Also, to the other members for all the work done by them. (applause)

Meeting adjourned at 10:42 P.M. Motion: N. Arlin.

Respectfully submitted
Elizabeth A. Seaver
School Clerk

Barrington, N.H.
March 7, 1972

The Moderator opened the polls at 10:00 A.M. to choose the following:

1. Moderator for the coming year.
2. Clerk for the ensuing year
3. Member of the School Board for the ensuing three years.
4. Treasurer for the ensuing year.
5. Auditors, and all other necessary officers and agents for the ensuing year.

Those elected were:

Moderator

William Wallace

School Clerk

SPECIAL SCHOOL MEETING

A special School Meeting of the town of Barrington was called to order by the Moderator at 7:30 P.M. on June 13, 1972. After reading the warrant the following articles were acted upon.

ARTICLE 1. Motion made that the School District sell to the Town of Barrington a parcel of land 350 feet deep by 500 feet on the Province Road, approximately 4.02 acres in the Northwest corner of the Gale, Gibb lot. Motion: F. Timm. Motion carried.

ARTICLE 2. Motion made that the School District sell to the Town of Barrington that parcel of land described in Article 1 for the sum of \$1.00 plus legal fees and all costs of this special meeting. Motion: E. Sharon. Motion carried. (The cost to the town shall include expenses of drawing up the deed, surveying of the land, plus costs of the meeting.)

ARTICLE 3. Because there was no other business to come before the meeting at this time it was voted we adjourn. Motion: G. Musler. Time 7:50 P.M.

Respectfully submitted
Elizabeth A. Seaver
School Clerk

THE STATE OF NEW HAMPSHIRE
WARRANT

To the Inhabitants of the School district in the town of Barrington qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 6th day of March 1973, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To choose Auditors, and all other necessary officers and agents for the ensuing year.

Given under our hands at said Barrington this 12th day of February 1973.

The State of New Hampshire
WARRANT

To the Inhabitants of the School district in the town of Barrington qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 5th day of March 1973, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.
2. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
3. To choose agents and committees in relation to any subject embraced in this warrant.
4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.
5. To see if the District will authorize the School Board to employ two instructional aides for the assistance of the teachers working with the primary children in order to better improve the learning conditions for these children, and to raise the sum of four thousand six hundred eighty dollars (\$4,680.00) to pay the salaries of the instructional aides.
6. To see if the District will authorize the School Board to employ a qualified remedial reading teacher to assist the pupils with specific reading problems to overcome these problems and to raise the sum of seven thousand one hundred dollars (\$7,100.00) to pay the salary of the remedial reading teacher.
7. To see if the District will raise the sum of eighteen thousand five hundred dollars (\$18,500.00) to properly equip and staff a public kindergarten to be housed in the Barrington School for those children of the district who reach their fifth birthday anniversary on or before September 30th of each year.
8. To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U.S. Government and/or State agencies.

9. To see if the District will vote to establish a Committee of three voters to investigate the possibility of withdrawing from the Rochester AREA School Plan and to report its findings at a Special District meeting prior to September 1, 1973. (Submitted by Petition)

10. To see if the District will approve \$2,000.00 to hire consultants to aid the committee for an in-depth study of the educational needs of the Barrington School District.

11. To see if the District will appropriate the sum of \$205.00 for payment of Child Benefit Services provided by the School District of Dover to students who are residents of this school district and who attend Saint Thomas Aquinas High School, and further authorize the School Board to apply for any grant from the State as provided under RSA 198:22.

12. To see if the District will:

a. Approve the dual enrollment plan between the district and the Saint Thomas Aquinas High School, said plan to be educational offerings as subsequently listed for approximately five students at Saint Thomas Aquinas High School for the school year 1973-74: Algebra, Math 9, Geometry, Biology, Advanced Biology, Physics, Electronics, Art and Physical Education. The faculty will consist of an administrative staff and 8 1/5th teachers; and which plan shall be administered by the School District of Dover; and further authorize the School Board to sign any necessary agreement to implement the program.

b. Authorize the School Board to assign certain students, who are residents of the District, to the dual enrollment classes administered by the School District of Dover and further authorize the School Board to make such contractual arrangements that may be necessary to implement the said assignment of students.

c. Appropriate the sum of \$1,596.00 for the payment of the cost of tuition incurred by the assignment of said students to the dual enrollment program administered by the School District of Dover at the Saint Thomas Aquinas High School and to authorize the School Board to apply for any grants under RSA 198:21, which funds will be credited to the District.

13. To transact any other business which may legally come before this meeting.

Given under our hands at said Barrington this 13th day of February 1973.

REPORT OF THE SUPERINTENDENT OF SCHOOLS & ASSISTANT SUPERINTENDENT

To the School Board and Citizens of the Barrington School District:

In September of 1972, the Barrington Grade School was organized as indicated below.

Grade	Teachers
1	Mrs. Jenneke M. Finlay, Mrs. Ethel Mazza
2	Miss Sally Perkins, Mrs. Frances Cram
3	Miss Catherine Harmon, Mrs. Jane Weiland
4	Mrs. Pauline Hayes, Mrs. Sandra Mann
5	Mrs. Sarah Huckins, Miss Carolyn Marpes
6	Mr. John Davison, Jr., Mr. Carl Clarke, II
Remedial Reading	Mrs. Karen Willey*
Principal	Mr. Barry Clough

Other Staff Members

School Nurse	Mrs. June Colby, R.N.
Teacher Aides	Mrs. Esther Drew, Mrs. Marjorie Mielke**
Volunteers	Mrs. Hannelone Dawson, Mrs. Arvila Calef
	Mrs. Nancy Anderson
Custodian	Mr. Calvin Swain
School Lunch Manager	Mrs. Lorraine Cossette
School Lunch Workers	Mrs. Ruth Wormell, Mrs. Sarah Brown

* Federally funded under the Emergency Employment Act

** Federally funded under Title I of the Elementary and Secondary Education Act.

In September of 1972, the Barrington Grade School enrolled 318 pupils. This was an increase of seven pupils over the similar date of 1971. The enrollment by grades are shown below.

Grade	1	2	3	4	5	6	Total
Number Enrolled	47	58	55	47	56	55	318

Pupils attending schools in other districts at the expense of the district were as follows:

School Attended	Grade						Total Number	Tuition Rate
	7	8	9	10	11	12		
Rochester Junior High	50	35					85	\$589.45
Spaulding High School			43	34	32	21	130	617.65
Dover High School				1		3	4	896.00
Dover Area Vocational School			2	5	4	4	15	617.65
Oyster River High School						2	2	896.00
Dual Enrollment, St. Thomas			5	1		1	7	283.30*
Totals	50	35	50	41	36	31	243	

*Public sector of program only.

In addition, the District pays \$845.00 as the tuition of one handicapped child attending the Great Bay School and Training Center in Newington.

The pupil enrollment on the secondary level increased from 217 to 243 pupils, making the total gain for the District 32 pupils more than last year. This does not include pupils resident in the district who may be attending schools, such as St. Thomas, or Oyster River, at the expense of the parent. At the time this report was prepared there appeared to be at least three pupils in this category. The actual tuition rates at Dover High School and at Oyster River High School are \$975.00 and \$1,132.00 per year respectively. The District is responsible, under the terms of the AREA Agreement for the state average for pupils in Grade 12 at either of these schools. In the case of pupils attending the Area Vocational School, the District is responsible for the same amount that it pays to the Rochester School under the terms of the current rulings, namely \$617.65.

Barrington is fortunate in being able to continue to upgrade its teaching staff with its selection of new personnel. This year, the following replacements were made: Miss Perkins replaced Mrs. Sawyer, Mrs. Cram replaced Mrs. Ransom, and Mr. Clarke replaced Mr. Rogers. Two of these teachers left to seek other positions and one left for family reasons. It is felt that the careful selection of staff replacements has resulted in steadily increasing competence and expertise of the staff. Even though the newspapers report that the teacher shortage has ended, there is a distinct and important difference between candidates who can teach and those who say they can. There is further to be considered the fact that in certain areas, particularly mathematics and science in the middle grades, the teacher shortage persists. There are not many persons available in either of the afore mentioned categories.

As in any small district, the matter of the budget is of great importance. Barrington's financial needs continue to grow. With approximately 243 pupils being educated outside the District, the tuition charges and transportation costs

are not under the control of the local school board. During the coming year, the cost for tuition alone will average over \$679.00 per pupil for 266 pupils. This totals about \$180,000. There are two points to be considered based upon the preceding information. One aspect is that the cost of education continues to increase. In computing the tuition cost, the largest factor is the cost of salaries for teachers and other personnel. In an attempt to compensate for the high salaries of teachers in the receiving districts, the local Board tends to pay lower salaries to its own staff. (Most Barrington pupils attend Rochester Schools after the sixth grade. Rochester pays beginning teachers \$6,510., and experienced teachers over \$10,000. Barrington pays beginning teachers \$6,000., and experienced teachers \$7,400. The task of the teacher in the sending district is fully as important and as valuable as the work performed by the teacher in the receiving district. The good start the child obtains in the local school colors his entire educational and adult future. A poor start is very costly to the child and to the adult to which the child is parent. Surely the worker is as worthy of his hire in the smaller community as he is in the larger community.

Last year, the Board adopted a very modest salary schedule for the Barrington teachers. It is hoped that the Board and the District will continue to develop this schedule into a realistic program for the advancement of its teachers. According to figures released by the New Hampshire Education Association, Barrington ranks 139th of 142 districts reporting salaries for 1972-1973.

Mr. Clough and the teachers have been working diligently toward producing a curriculum guide for the school, which, it is understood, will be of considerable assistance in providing continuity, flexibility, and expansion of the local educational program. This will contribute toward placing the children according to their abilities and achievements. It must further be noted that, in so far as possible, children are being educated in the home school rather than by assignment to other institutions if these children are not severely handicapped. This project is also an indication of good teacher morale and excellent interrelationships being developed for the good of all of the children of Barrington.

As reported in the past, the attrition of funds from sources outside the District continues. This includes funding the District now receives for teacher aides and remedial reading. The Federal agencies involved are indicating that the local districts fund these programs in order that the federal funds may be devoted to new programs, if these programs now being funded are not valuable, do away with them. On another page in the School District Report there is a special report on the status of Title I funds which was prepared at the direction of the Board. Please read it.

There is no diminution in the number and severity of the problems facing public education today. The Board and the citizens are to be commended for their ability to face these problems and develop meaningful solutions. The future, as must be evident, does not portend any reduction in the number and complex-

ity of the problems facing public education today.

In closing, we would like to express our appreciation for the cooperation we have received from the people, the school board members, the pupils, and the staff.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent of Schools

KENNETH J. BEAUPRE
Assistant Superintendent

PRINCIPAL'S REPORT

To the Citizens of Barrington:

The 1960's have witnessed tremendous change in our public institutions of learning, from elementary schools to the Universities. We have added more than ten million students to our schools and colleges since 1960. Such an increase in our student population has had many effects on our society. One of these effects is that seventy-seven per cent of our young people now finish High School, and half of those enter some type of degree or credit program after graduation. But, as during most periods of rapid change, many schools were not prepared to meet the demands placed upon them by the new conditions. Improvements were, and still are, needed in our system of public education.

In Barrington, we have worked continuously to improve in such areas as the caliber of the staff, and the procedures for reporting pupil progress to parents. We have also developed methods for the evaluation of curriculum and teachers.

This past year has seen a continuing commitment to the idea that improvement in our schools is both necessary and healthy. One of the major accomplishments by the faculty has been the development of a Curriculum Guide. The Guide includes statements of objectives and skills to be accomplished in each subject, at each grade level. The completion of such a Guide will enable new teachers in the system to better understand their roles and will also provide for more effective direction and decision-making in terms of curriculum development.

In June of 1971, the State Board of Education adopted regulations requiring the establishment of Staff Development Committees at the

local or Supervisory Union level. These committees were to develop alternatives to teacher certification procedures then in use. In-service workshops at the local level have been mentioned as one of the possible alternative approaches. Several programs or workshops covering such areas as Reading, behavior modification, and the preparation of teacher-made materials were held this year to assist the teachers with their in-service training.

We were very fortunate this year to have the services of a Reading teacher, made available to us through funds from the Emergency Employment Act. Mrs. Willey served as a resource person for the classroom teachers, worked on an individual basis with pupils, contributed to the Curriculum Guide, and administered individual tests.

Other areas in which we are presently developing new programs include physical education and Learning Disabilities. The physical education program being organized has been made possible through the construction of the new town building. The Learning Disabilities project is being developed jointly between the towns of Nottingham, Northwood, Barrington, and Strafford with funds to be made available through Title I and the State Department of Education.

This project will probably provide Barrington and Strafford with the services of a specially trained teacher and the necessary materials so that the problems of those children with visual and perceptual difficulties can be dealt with more effectively.

In the months ahead, we hope to invite parents and School Board members to sit with us and complete the Curriculum Guide. We also expect to revise the state-wide testing program and develop a cooperative approach with the Public Library Association so that the children can utilize the new Library facilities even more than was previously possible when the Library was located in the school building.

Respectfully submitted,

Barry L. Clough
Principal

REPORT OF THE SCHOOL NURSE

The flu kept absenteeism high during early winter a year ago.

A memo was sent to parents regarding sleep and the need of an adequate breakfast. This is still a problem and concerns us all.

Physicals were completed for each child and notices sent to parents regarding defects noted.

The application was made and accepted by the State, for the Matching Funds Dental Clinic, and monies were donated by the many town organizations and matched by the State to the sum of \$446.00.

A fluoride and cleaning clinic was started in March with Miss Karen Smith, Dental Hygienist. 154 children took advantage of this clinic. The P.T.A. sponsored 11 children. Mrs. Elaine Nettleton volunteered her time to help the hygienist twice a week for the 2 months of the clinic.

The film "It's Wonderful Being a Girl" was shown to the 5th and 6th grade girls. Mothers were invited to attend and an interesting discussion period followed for both students and mothers.

An immunization clinic was set up in March, and Dr. Wilson of Dover gave 275 immunizations, consisting of Polio, D. T., Rubella and Measles vaccines, plus Tbc. tests. This clinic was repeated in May for those not done earlier.

The staff, kitchen workers, bus drivers and custodian were given tuberculin tests. All proved negative.

Dental Education is still being carried out in the classroom. Teachers in the lower grades encourage students to keep tooth brushes in school and brush after lunch. Brushes and paste have been donated to those without them. Dental caries are a big problem. Parents still need education as to the importance of early tooth care.

Pediculosis (head lice) is still cropping up. There were eight cases, but even one is too many.

As of this date, 12 children are taking medication, at school, for hyperactivity. This entails a signed permission slip from the parent, medication brought to school in a properly labeled container, and a prescription, signed by the doctor, all on file with the nurse. This is seven more cases than in the previous year.

About 500 miles are traveled during the year, making home visits, taking sick children home, transporting accident cases to the hospital and going back and forth to exchange testing equipment with the Strafford School Nurse.

I have attended most School Nurse Seminars, District and State Meetings and try to keep up with current directives and news to best benefit the health of our school children.

Thanks to all for your excellent cooperation.

June V. Colby, R.N.
School Nurse

STATUS OF E.S.E.A. TITLE I FUNDING for 1973-74

As most of you may know, the Elementary and Secondary Education Act, which is the source of "Title I" funds, is presently being operated under a continuing resolution due to the President's veto of the most recent H.E.W. bill last fall. As a result, there has been no increase in the amount of funding available over that of previous years. It is expected that there will continue to be appropriations for E.S.E.A. for another year.

If the District is to continue receiving Title I funds, there are some conditions which must be met. What follows is an attempt to outline the conditions which appear to be most critical to the district.

If a Title I program has been funded for three years by federal monies, the district has the responsibility of determining the value of the program to the district. If the project has been successful and is valuable to the district, it should then be retained and supported by the system. If it has proven to be marginal or of little value, it should be abandoned and supported neither locally or federally. In either case, at the end of the maximum three year support, the local district should develop a new program to receive federal funding.

The other factor of immediate importance is the following, quoted from Volume V, Number 1, of the publication of the New Hampshire Title I Office in Concord.

. . . this office would no longer be able to approve what was termed "non-cooperating cooperative projects." The implications of this move are several. Whereas, in the past it has been possible for the several school districts in a cooperative project to conduct separate and distinct Title I activities, this will no longer be possible. It, therefore, becomes obvious that when the smaller districts join together to form a cooperative project, *it will have to operate on the basis of shared services* for the disadvantaged children . . .

. . . Additionally, we will be seeking justification related specifically to the local situation explaining why any program of less than \$10,000.00 is not being combined . . . *

Therefore, starting in November of 1972, the districts of Barrington, Northwood, Nottingham, and Strafford, began a series of several meetings of their School Boards in an effort to cooperate in the interests of disadvantaged children. As a result of this effort and the interest and support of the Special Education Division of the State Department of Education, the amount of funding from outside sources to support the program for the educational handicapped has doubled.

* Emphasis added
